

Dear Colleagues

2021 is the year of our 50th anniversary!

KEK has been a part of the history of accelerator science for these 50 years, and will keep accelerating to pass a bright future onto the next generation.

- The 50th anniversary preparation committee has been planning various events to make this year the best.
- We look forward to your frank opinions and suggestions.

**As colleagues, let us commemorate
this milestone together and make this year memorable.
Let's celebrate together!**
